

Since 1917, Bankers Trust has proudly served this community. Through our commitment to diversity, personal service, leadership and stability, customers can feel confident in our ability to meet their needs, and our promise to help this community grow.

Asset Size

Bankers Trust is the largest independently-owned bank in Iowa, a subsidiary of MidAmerica Financial Corporation with consolidated assets of \$3.1 billion. Our secure financial position allows us to offer a wide range of financial products, while still maintaining the personal service customers expect from a community bank.

Equity Capital

Bankers Trust maintains \$225 million in equity capital. We are well-capitalized, with a risk-based capital ratio of 11.92%.

(Regulations consider banks with over 10% well-capitalized.)

Loan Portfolio

Allowances for loan and lease losses exceeds \$32 million.

Business Performance

Bankers Trust finished 2011 with net income at \$18.6 million.

Community Contributions

Bankers Trust contributed approximately \$1 million back to the community in local sponsorships and charitable contributions in 2011. We have approximately 400 employees committed to volunteerism and diversity, and they have dedicated more than 11,700 hours to various organizations throughout central Iowa.

Deposits

Our bank deposits are funded locally at 99%.

(Less than 1% are brokered deposits, which is well below levels at other banks.)

Investment Portfolio

Bankers Trust maintains a high-quality investment securities portfolio managed by experienced professionals.
