

Notice of Mini Grants Available
Micro Industries for Self-Advocates
Offered by Life's Plan Inc. Pooled Trust

Life's Plan is a non-profit organization that provides Trustee services for people with disabilities and their families. Life's Plan is a Medicaid qualified pooled trust program that provides supplemental care and services through a Pooled investment strategy while also offering families individual trust management services. Our trust accounts do not jeopardize key public benefit programs such as SSI and Medicaid. The families we serve have an alternate choice to spending down their loved one's inheritance with the use of a pooled trust. Life's Plan has been serving individuals with disabilities and their families throughout Illinois since 1986.
